

Richland Creek WMA Carl Frentress Unit 2023-2024 E-Postcard Waterfowl

Background

The Richland Creek WMA is located 25 miles southeast of Corsicana, along US Hwy 287 and FM 488 between the Richland-Chambers Reservoir and the Trinity River. It encompasses 14,272 acres of land; the majority of the Area lies within the floodplain of the Trinity River. The Richland Creek WMA Carl Frentress Unit is comprised of 23 constructed, emergent wetlands which are managed to provide quality, wintering-waterfowl habitat.

Reporting/Orientation

When: Hunters should arrive at the RCWMA check station by 2:30 p.m. on the 1st day of the hunt to sign in. Mandatory orientation will begin at 3:00 p.m. Hunters must contact the WMA as soon as possible if they are unable to attend their accepted hunt. **Hunters arriving late will forfeit their position on the hunt. No exceptions will be made.**

Where: Check Station – located behind the RCWMA office at 1670 FM 488 Streetman, TX approximately 2.5 miles south of U.S. Highway 287 intersection with FM 488.

Preparation: Hunters should bring their valid Texas hunting license, license plate number, Annual Public Hunting Permit, State Migratory Bird Stamp, HIP Certification and Federal Duck Stamp. Only non-toxic shot is allowed.

Check Station

Hours: Opens at 2:00 p.m. on the 1st day of the hunt. Check station hours will be explained during hunt orientation.

Facilities: No facilities are available.

Check In/Check Out: All hunters **must** check in/out with Area personnel as explained in the orientation.

Latecomers

Check-In: No latecomers will be accepted on E-postcard Hunts. Hunters that do not arrive by the 3:00 p.m. mandatory orientation will forfeit their position on the hunt.

No exceptions will be made.

Hunting Conditions

Vehicles: Transportation to and from the assigned hunting compartment will be the responsibility of the hunter. Hunt compartments are easily accessible by vehicle therefore ATV or UTV use is not allowed.

Hunt Compartments: Hunt compartments vary in size and are flooded with water depths ranging from 6"-18". Hunt compartments will be assigned by random drawing during the 3:00 p.m. mandatory orientation on the first day of the hunt. Temporary blinds may be erected; however, any man-made material must be removed prior to the end of the hunt. **The use or possession of exotic or invasive plant materials such as giant cane or bamboo for building blinds or any other use is not permitted on the WMA.**

Terrain: The area exists almost entirely within the Trinity River floodplain and is subject to prolonged periods of extensive flooding that may require cancellation of hunts on short notice.

Camping Facilities

Camping is allowed only in the Carl Frentress Unit campground. The campground does not have water or electricity.

Note: The Area is closed to the general public during E-postcard waterfowl hunts. During these hunts, persons not holding an E-postcard Waterfowl permit will not be allowed to go afield or stay overnight. Exceptions will not be made for anyone other than a non-hunting adult who is assisting a permitted authorized hunter with mobility disabilities. Fishing is also allowed.

Other Information

Standby hunters wishing to participate in hunts must report to the Richland Creek WMA check station no later than 2:30 p.m. on the first day of each scheduled hunt. Standby drawings will occur promptly at 3:00 p.m.

If you have any further questions, you may telephone the Richland Creek Wildlife Management Area Headquarters at (903) 928-2251.
